space. Whether youâ€™re planning for a
multigenerational household, seeking a

The main residence spans over 2,000 sq ft
across two levels, designed with intention and
filled with light. At its heart is a stunning
two-storey living room where oversized
windows and soaring ceilings make every day
feel open and inspired. The upper bonus
room, perched above, creates an architectural

or play. The kitchen is equal parts elegant and
practical, with quartz countertops, soft-close
cabinetry, a wine fridge, and upgraded
designer lighting that elevates everyday meals
into memorable gatherings. The walkthrough

pantry leads effortlessly to the smartly finished back entry - complete with built ins. Steps away is your main floor office or additional space for that home gym. From the dining area, step onto the raised rear deck and take in the unobstructed views of the pond and pathway system beyondâ€”a perfect spot for your morning coffee or weekend brunch in the sun.

Upstairs, the private primary bedroom includes a walk-in closet and a spacious 5-piece ensuite with a double vanity, soaker tub, and tiled shower. Two additional bedroomsâ€”each with walk-in closetsâ€”share a sleek main bath, while a full laundry room adds everyday convenience.

On the walkout level, discover a fully legal and professionally developed studio suiteâ€”bright, spacious, and thoughtfully finished. With its own entrance, full kitchen, dining nook, 3-piece bath, laundry/storage room, and open-plan living/sleeping area, itâ€™s a seamless space for aging parents, adult children, guests, or tenants to feel completely at home.

Additional highlights include a \$5,000 smart home security system, central air conditioning, a covered lower patio, upgraded appliances, and a partially fenced backyard with a gate that opens directly onto the walking trails and green space. With its elevated lot and serene natural backdrop, this home offers rare privacy, unmatched views, and everyday access to nature.
