Don't miss this investment opportunity! Located in busy downtown Sundre, this solid 5334.76 sq ft, cinder brick reinforced with rebar building offers a number of possible opportunities for the business owner or investor. The current owner has an established business in the entire building and is willing to lease back either the entire building or downsize their business into half of the building. This offers an opportunity either to establish a business in half the building (approximately 2650 sq ft) and have income from the other bay, or lease back the entire building to earn a respectable return on your investment. Start the next chapter for your business or launch a new investment, in this prime location, by calling your commercial Realtor® or the listing agent to arrange a viewing appointment today.
