NONE, Coleman, Alberta

Incredible location for this prime mountain acreage in the Crowsnest Pass. Located on the north side of the valley with stunning mountain views to the south of this acreage that basks in sunshine all year long. Great building site to take advantage of the view and the sun. Acreages in this location enjoy municipal water hookups, along with the many advantages of being so close to town. Because of the mature evergreen landscape in this area, the nearby town does not intrude on the wonderful privacy of this acreage. The power and water hook-ups on property have not been used for many years and are therefore being offered "as is."
