4 Bedroom, 3.00 Bathroom, 1,133 sqft

Residential on 0.08 Acres

Blackwolf 1, Lethbridge, Alberta

Welcome to 330 Uplands Boulevard N in Lethbridge – a thoughtfully maintained duplex situated directly across from a vibrant community park. This welcoming home offers a bright, open-concept main floor featuring a charming kitchen with light-toned countertops, gas stove, built-in oven and microwave, and a deep farmhouse sink with a classic brass faucet. The adjacent dining area flows seamlessly into the cozy living room, where west-facing bay windows overlook the green space and a full-height tile fireplace creates a warm focal point. The primary bedroom is a private retreat with backyard views, a walk-in closet, and an en-suite bathroom that includes a double vanity and fully tiled walk-in shower. A second bedroom, full four-piece bathroom, convenient laundry room with built-in storage, and a rear entry with bench and coat hooks round out the main floor. Downstairs, the fully finished basement offers even more room to spread out with a spacious family room, two versatile rooms (each with closets and natural light from carefully planted garden window wells), a third full bathroom, and a generous storage/utility space. The staircase connecting the levels features elegant glass railing and a vaulted ceiling above, allowing light to filter through and creating a bright, open transition between floors. Outside, both the front and back yards have been transformed into low-maintenance spaces with decorative rock, perennial beds, container gardens, and a full drip irrigation system on timers to make caring

for it all nearly effortless. The semi-private front patio is perfect for a quiet coffee or evening drink, while the fully fenced backyard includes two gated access points—one to the alley and one leading along the side of the house. The heated detached garage is oversized and well-built, offering room for vehicles, hobbies, or additional storage. As the final unit in a row of duplexes, this home benefits from a tucked-away feel and a bit of added privacy. With essential amenities like schools, grocery stores, gas, pharmacy, and more just a short distance away, this home combines comfort, thoughtful design, and convenience in a quiet, park-facing location.
