Residential on 0.10 Acres

Chaparral, Calgary, Alberta

One garage is for amateurs. This house has TWO! (Not a typo!) This home doesn't just have a garage, it has TWO oversized, in-floor heated doubles (yes, you read that right). Over 2450 sq ft developed and loaded with NEW everything: hardy board siding, windows, roof, lighting, appliances, updated baths, paint, and floors. A/C? Check. Heated basement floors? Check. Bonus room AND upstairs laundry? You got it! West-facing yard with composite deck and hot tub? Obviously. Then there's the location: Lake Chaparral. Not just another community, a year-round lifestyle. Two schools within walking distance, Fish Creek Park and golf nearby, shopping close at hand, and transit only half a block away. Let's go see it!

Built in 1997
